Our Ref: Summer Resurfacing and Reconstruction Programme

Date: 14/07/2017

Improvements in Your Area

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Over the next three years an additional £45 million will be invested into improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs, a programme of road lining improvement as well as additional investment in repairing local roads and paths and environmental maintenance.

We will shortly be carrying out a resurfacing scheme to improve the condition of the carriageway on the junction of Wrockwardine Wood Way and Wombridge Road. The work is due to take place in the next few weeks **but is not expected to take more than one week, weather permitting, to complete in your road.** Wombridge Road will be closed for the first 100m from the junction with Wrockwardine Wood Way during the scheme working hours (07:30 – 17:30), with a full diversion in place. Traffic on Wrockwardine Wood Way will be managed using Two Way Temporary Traffic Signals.

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let the site operatives know.

Information about roadworks in Telford can be found at www.telford.gov.uk/roadworks. If you need to contact Telford & Wrekin Council about these improvements email highways@telford.gov.uk. Your contact will be logged and a member of the team will respond as soon as possible.
