

Statement of Reasons
TELFORD AND WREKIN
(KETLEY BANK)
(RESTRICTED ROADS 20MPH ZONE) ORDER 2020

Proposals

The issue of safety and speed of traffic on Various Roads in Ketley Bank has been raised by the Parish Council, Ward Members and the local residents. It is proposed to introduce a 20mph Zone to mitigate the concerns raised.

The roads effected by this order are Dukes Hill, East Road, Fair View, Greenacres, Hawthorne Close, Hillside Road, Main Road, Mossey Green, Mount Pleasant, Shrubbery Road, Sunnyside Road, The Meadows, Trinity View, Wesley Drive and West Road.

It is felt that a reduction in the speed limit will help to reduce vehicle speeds in the area and improve pedestrian and road safety, all of which will improve the quality of life for local residents

Road Traffic Regulation Act 1984

In deciding to introduce this speed limit the Council have had regard to the duty set out in s.122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians).
