

To all residents.

In response to national guidance issued this week, please be aware that ALL elections are to be postponed until May 2021.

This includes the national Police and Crime Commissioner elections which were scheduled for 7th May 2020, and any current or new by-elections at Borough or Parish level.

The by-election scheduled for 2nd April 2020 in the Donnington Borough ward, and the Parish election due in the Donnington West ward on the same day have both been postponed.

Arrangements will be made to hold these and any other forthcoming elections later, once updated advice and guidance has been issued nationally
