

## **Addendum to West and Shires Permit Scheme (WaSP)**

22<sup>nd</sup> June 2020

Please note that as from the date of implementation of the Department for Transport's Street Manager System and the removal of the current Electronic Transfer of Notifications System all references to Electronic Transfer of Notifications (EToN) in all West and Shires Permit Scheme documentation shall be replaced with 'by electronic means' with regards to notification requirements within the Street Manager System. When the scheme is next reviewed and approved this amendment will be inserted into the text of all the scheme documentation.
