We will shortly be working in your area as part of the Council’s 4 year investment programme to ‘Protect, Care and Invest to create a better borough’. Between 2020 and 2024 we are investing over £50m to keep neighbourhoods safe, clean and well connected. The ‘Pride in our Community’ Highways Capital Programme will deliver improvements to infrastructure including roads, footpaths, parking, sustainable transport, street furniture, drains and structures.

Our vision is to ‘Keep Telford Moving’ and in 20/21 we will invest £22m to deliver 200 improvement schemes across the borough. These improvements will be achieved in partnership with the Council’s Principal Contractor Balfour Beatty.

### Resurfacing – A442 Brockton Loops

We will shortly be carrying out resurfacing works on the A442 Brockton Loops between the A4169 and Brockton Way. This work will improve the condition of the existing road surface, as well as making the road safer and extending its life. This work is planned for the **14<sup>th</sup> September 2020** for **1 week**. The works will be carried out under a 24hr road closure of the Brockton Loops and Brockton Way Northbound, there will be a night time closure of the A4169 (Northbound only 19:00 – 06:00) from Castlefields Roundabout. Diversions will be clearly signed and symbolised. [The plan below shows the extents of the closure.](#)

### Reconstruction, resurfacing & kerb replacements – A442 Hollinswood Northbound Off-slip

Following on from the resurfacing of the A442 Brockton Loops we will be moving onto Hollinswood Interchange Northbound off-slip, this scheme involves reconstruction, resurfacing & a new kerblin. This work is planned for **21<sup>st</sup> September 2020 for 3 weeks**. The works will be carried out under a 24hr road closure of the off-slip, a 24hr lane 1 closure of the A442 adjacent to the off-slip & a 24hr lane 1 closure adjacent to the off-slip on Hollinswood

Interchange. The diversion will be clearly signed. [The plan below shows the extents of the closure.](#)

### Resurfacing, drainage repairs & kerb replacements – A442 Lane 1 adjacent to Randlay Interchange

Following that, we are going to carry out resurfacing, construction of a new drainage section & new kerblines of the A442 lane 1 adjacent to Randlay Interchange. This work is planned for **12<sup>th</sup> October 2020 for 2 weeks**. The works will be carried out under a 24hr road closure with a short diversion up onto Randlay Interchange and back down the on-slip at Randlay interchange, re-joining the A442 carriageway. [The plan below shows the extents of the closure.](#)

Please note these works are **weather dependant** and delays may occur if we experience poor weather. The works will be completed by our new partner and highways contractor Balfour Beatty, who will be using their specialist sub-contractors Tarmac, G N Groundworks, Quantum Traffic Management, WJ Road Markings, DynoRod, Extrudakerb & Dynniq.

[For further project specific information such as drawings and diversion routes, please visit our website at www.telford.gov.uk/resurfacing](http://www.telford.gov.uk/resurfacing)

**Due to the developing ongoing situation with COVID-19, these dates may be subject to change and schemes could be cancelled or deferred at short notice depending on resource availability or guidance from government. We will do our utmost to deliver work.**

Balfour Beatty will be the lead delivering this work in partnership with the Council and our details are below, for any questions or queries relating to this scheme please contact us at our new highways hub: [TelfordHighwaysHub@balfourbeatty.com](mailto:TelfordHighwaysHub@balfourbeatty.com)

For more information about the Council's Pride in Our Community programme please visit [www.telford.gov.uk/pride](http://www.telford.gov.uk/pride). The full list of works planned for your area can be found on the [projects page](#).

Kind Regards
