

The Music Partnership GCSE Network Meetings

These meetings will further clarify the changes to assessment arrangements for 2021 and allow teachers to share strategies and challenges to GCSE teaching in the current situation. Input at each meeting will be provided by a representative from the Examination Group who will also be able to answer questions.

A minimum of 5 bookings from teachers will be required for the meetings to run. Whilst primarily aimed at teachers currently working with a particular specification, meetings are open to all teachers including those who may be considering changing specifications in the future. The meetings will take place as follows:

with Jeffrey Hole, Subject Adviser, Music and Music Technology for Pearson UK.

EDUQAS GCSE: Wednesday 21st October 1630 – 1730

with Sandra Allan, Head of Curriculum – Creative arts at AQA.

OCR GCSE: Wednesday 4th November 1630 – 1730
