Indoors Sub-domain

The Indoors Sub-domain is part of the living Environment Deprivation domain and measures the quality of housing.

Most deprived

- Just one area in Telford and Wrekin is ranked in the 10% most deprived nationally (Edgmond & Ercall Magna) with a further five areas ranked in the 10-20% most deprived (Edgmond & Ercall Magna x2, Ketley & Overdale, Ironbridge Gorge, Admaston & Bratton)
- Some 7% of Telford and Wrekin's residents (11,400 people) live in areas ranked in the 10% most deprived.
- The most deprived area in Telford and Wrekin is in Edmond & Ercall Magna and is ranked 1,429 out of 32,844 nationally.

Least deprived

- A total of 15 areas in Telford and Wrekin were ranked in the 10% least deprived (Priorslee x3, Apley Castle, Madeley & Sutton Hill, Shawbirch x2, The Nedge, Muxton x2, Ketley & Overdale, Dothill, Newport South & East, Brookside, Newport North & West) with a further 16 areas ranked 10-20% least deprived (Brookside x2, Dawley & Aqueduct x3, Malinslee & Dawley Bank x2, The Nedge, Apley Castle, Madeley & Sutton Hill, Newport North & West, Hadley & Leegomery, Priorslee, Muxton, Ketley & Overdale, Donnington).
- More than a quarter of Borough residents (28%, 47,700 people) live in areas ranked in the 20% most deprived nationally.
- The least deprived area in Telford and Wrekin is located in Priorslee and is ranked 32,748 out of 32,844 placing it in the top 1% least deprived areas nationally.

Change since 2015

- Just under a third (33 out of 108) areas in Telford and Wrekin have seen a worsening of deprivation decile since 2015, with two areas both in Ketley & Overdale worsening by three deprivation deciles leaving them at 10-20% most deprived and 20-30% most deprived respectively.
- Some 13 areas in the Borough have seen an improvement in deprivation decile since 2015 with four areas (The Nedge x2, Donnington, Dawley Aqueduct) improving by two deciles.
