

# What will my child do when they leave school?

Are they unsure what to do next?

Are they exploring options for post 16 Education and Training?

Join our **Virtual Specialist SEN Education and Training Information Events** which are taking place the week commencing the **9 November, between 6-7pm Monday to Thursday** where key members of college and training provider staff will be available to answer your questions about their post 16 provision. **The link will be available via the FutureFocus Facebook page on the day of the events.**
