Dear Head teachers/DSL's,

**Exploitation & Vulnerability Training for Telford**

Attached is the current flyer for E & V Training that is being offered by Karen Perry and Vicki Ridgewell, many of you know Karen & Vicki from their previous roles in the council, as Karen - Education Safeguarding Trainer and Vicki- Youth Engagement – Telford for West Mercia police.

The training has now come under the control of the force trainers (Karen & Vicki) and has been revisited and streamlined for online delivery via Zoom or MS Teams. The training covers all the original requirements, but is now delivered within 1.5hrs generally, but is scheduled for 2hrs for Q & A's should it be required. The training is a 'Raising Awareness' only, should a more in depth input be required this can be looked into as an additional training requirement.

The above email is a generic central email and is monitored continuously, but attached are also the trainer's individual emails:

[Karen.perry@westmercia.pnn.police.uk](mailto:Karen.perry@westmercia.pnn.police.uk)

work mobile 07814285274

[Vicki.ridgewell@westmercia.pnn.police.uk](mailto:Vicki.ridgewell@westmercia.pnn.police.uk)

work mobile 07970544720

As the police system has not moved to integrated training for MS Teams, we require the requesting school, to set up the training and then share the invite and allow us to present via that format. We look forward to our local schools booking onto the training.

Kind Regards

Vicki & Karen
