

Dear Friends,

We would like to invite you to join us for our **Wellbeing Projects Showcase 2020, Tuesday 8th December 3- 5pm.**

After a year of challenge and creativity, this is an opportunity for us to share stories, videos, images, exhibitions etc. with supporters, funders, partners and anyone who is interested.

To book a free place then please follow the link:

Despite the most unusual of times, young people and young adults have continued to take part in The Hive's Wellbeing Projects. From photography and animation; to music, pottery and theatre you can get a taste of it all. Be prepared to laugh, cry and smile all at the same time in this showcase celebration. We are particularly keen to welcome young people to watch the event, as well as our partners and local communities.

The afternoon will include:

- The B-side Project | Original songs re-worked from previous projects with Looked After Children, young carers, young people accessing mental health services and Stop Loan Sharks
- Exhibition tasters | Pre-lockdown pottery and photography
- Stop!motion animation
- A brand new hot off the press music video
- Clips from Shining Stars radio show
- Early years creative activities
- Original songs written by young carers, LAC and youth clubs
- An interview with the last Lengthsman of the Shrewsbury Canal

We look forward to seeing you there. A Zoom login link will be sent out before the event.

Best wishes,

Tom

A dark blue banner with a yellow bottom section. In the top left corner is the HM Government logo. In the top right corner is the NHS logo. The central text reads 'We must keep on protecting each other.' Below this are three circular icons: a pink circle with hands and virus particles labeled 'HANDS', a blue circle with a face mask labeled 'FACE', and a green circle with two people and a double-headed arrow labeled 'SPACE'. The bottom yellow section contains the text 'STAY ALERT · CONTROL THE VIRUS · SAVE LIVES'.
