## Free Online Cool Kids/Handwriting Information Session

Dear SENCO

We are writing to inform you of our FREE educational session for the Cool Kids programme and OT advice regarding handwriting.

### **Cool Kids movement programme and Handwriting**

Session aims:

- To provide basic understanding of sensory motor development and why it is important to children in school
- Understanding developmental stages of lying on the back, tummy, rolling, creeping and crawling
- Understanding the underlying principles of the Cool Kids Programme
- Identify pupils who would benefit
- Deliver the programme effectively
- Understanding handwriting development (OT perspective)
- Increase awareness of programmes, equipment and adaptations that can be used
- Incorporate strategies successfully in the classroom

The session will be completed online via the Zoom app, and a link will be sent via email once a place has been confirmed.

**Places are limited and must be booked in advance.** The next available sessions to book onto are.....

**VENUE:**

Online via  
the Zoom app

**DATES:**

19<sup>th</sup> January  
2021

**TIME:**

13:00 -15:00

**TO BOOK A PLACE :**

**"We welcome your Friends and Family feedback. You can do this by following the link <http://www.shropscommunityhealth.nhs.uk/fft-survey> or by filling in a feedback form available at clinics or from your health care professional."**

- We are able to offer up to **two** places for this session to your school.
- We recommend that a Class Teacher/SENCo attends this session, if they have not already done so.
- Additionally the session will be valuable to any member of staff who will be potentially delivering the group in your school.

Please contact Tracey Bowen by telephone to book your place on this training, and provide an email address that joining links can be sent to.

**Telephone – 01743 450839**

**Places will be allocated on a first come first served basis**

We look forward to you joining online.

Yours sincerely

The Community Paediatric Occupational Therapy Team
