

## Temporary Road Closure - Sign Schedule

All signs are to be retro reflective and manufactured in accordance with the **Traffic Signs Regulations and General Directions 2016**.

All signs are to be clean and legible with printed lettering and fit for purpose. Damaged, defaced or handwritten signs are not permitted.

**Sign No. 1** - to be placed at each end of the closure **Fourteen (14) days** prior to the road closure commencing.

**Sign No. 2** - Placed at all advanced junctions where diversions will be needed to be signed from.

**Sign No. 3** - One sign to be placed at each end of closed section of road and at junctions or intersections within the closure.

**Sign No. 4, 4a, 4b** - to be placed only at start of the diversion alongside sign 3.

**Sign No. 5, 5a, 5b** - to be placed at every change of direction for traffic at junctions and where diversion continues past junctions.

**Sign No. 6** - To be provided at each end of the diversion.

**No signage to be put in place without prior approval from the Streetworks Team (unless for Emergency works as defined in Section 52 of NRSWA).**

**Applicants are responsible for organising the provision and placement of signage and for the periodic checking and maintenance of signing during the period of the closure.**

**All signing to be removed and the road re-opened immediately once event/works are completed, or on agreed completion date, whichever is earlier.**
