## What is a Virtual Playing Together Parent Support Group?

We are currently presenting a virtual Playing Together Group. Which is where our Strengthening Families Assistants will invite Parents and Guardians with their children to a Microsoft Teams Meeting. We will engage with the children through activities, talks, story time and also a bit of nursery rhyme singing. We will also engage with Parents and Guardians round day to day life and any topics everyone wishes to discuss.

This is currently in place for our Face to Face groups that normally run.
