We're making improvements in your area Resurfacing to improve the condition of your road

We will shortly be working in your area as part of the Council's 'Pride in Our Community' investment programme. Between 2020 and 2024 over £50m is being invested to keep neighbourhoods safe, clean and well connected. The 'Pride in our Community' Highways Capital Programme will deliver improvements to infrastructure including roads, footpaths, parking, sustainable transport, street furniture, drains and structures. The Highways vision is to 'Keep Telford Moving' and this year £22m is being invested to deliver 200 improvement schemes across the borough.

As part of the Council's ongoing investment into its roads and footpaths, we will shortly be carrying out resurfacing to improve the condition of the highway on the A442 Trench Lock Interchange to Wombridge Interchange

When are we planning to deliver this work?

The work is due to take place on 26th April 2021 and be completed by 5th May 2021 (weekdays only) weather permitting. The works will be carried out under a road closure which will be in place 24 hours a day on the Southbound carriageway of the A442 from Trench Lock Interchange to Wombridge Interchange (The traffic management will be removed for the weekend and Bank Holiday). We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works.

If you have any special access requirements while the works are in progress or need to contact Balfour Beatty about these improvements please contact us at our new Telford Highways Hub: TelfordHighwaysHub@Balfourbeatty.com and a member of our team will be in contact with you shortly.

Thank you for your co-operation whilst we deliver these improvements in your area.
