

Artslink's Poetry Project 2021

We've teamed up with Birmingham Poet Laureate Matt Windle to give young people linked to West Midlands Virtual Schools the chance to be part of a fantastic poetry project.

- IT'S REALLY EASY TO TAKE PART -

We want you to send us at least one rhyming couplet, which Matt will combine with all the others we get, to create some massive poems which he'll perform on film. Choose from 3 themes:

Using our online poetry platform you can find out what rhyming couplets are and how to write them. And we've built our own Rhyming Couplets Tool, so if you don't have any ideas you can choose words from dropdown lists, or if you're a keen poet, you can write your own from scratch.

Suitable for all primary and secondary ages - no experience necessary!
