

# Christening

Draw a picture of a christening in the box.

Use these words to explain what a christening is and what happens at a christening:

baby

water

welcome

child

church

font

vicar

parents

God

pray

candle

cross

# Christening

Draw pictures and write an explanation below each picture to show the sequence of a Christening.

The form consists of four empty rectangular boxes arranged in a 2x2 grid. A central vertical line and a central horizontal line intersect at the center, dividing the grid into four quadrants. Three arrows are placed at the intersections to indicate a clockwise sequence: a horizontal arrow pointing right from the top-left quadrant to the top-right quadrant; a vertical arrow pointing down from the top-right quadrant to the bottom-right quadrant; and a horizontal arrow pointing left from the bottom-right quadrant to the bottom-left quadrant. The bottom-left quadrant does not have an outgoing arrow, suggesting the sequence continues from there to the top-left quadrant.
