

Hindu Gods

Brahma

- Hindus worship one main god called Brahma.
- Vishnu and Shiva are different representations of Brahma.
- Brahma is their creator; they believe he created the universe.

Shiva

- Shiva is the Hindu god that destroys the universe. He completes the trinity of Hindu gods.
- Hindus believe that Shiva is the source of good and evil.

Vishnu

- Vishnu is the Hindu god that helps preserve the universe and people.
- Hindus believe he has helped save his followers by appearing on earth through his *avatars*.
