School Business Manager: Miss J Hart

e-mail: joanne.hart@taw.org.uk

Dear Children, Parents and Community Members,

Things have been more than a little unusual recently and our focus has had to be upon the pandemic, however as things slowly return to normal, we are all looking forward to a brighter future. We are pleased to say that, here at Priorslee Multi-Academy Trust, we are excited about our future and as such are **'re-branding'**, starting with the name of our Trust.

We are launching a competition for pupils, parents, staff, the community as a whole – we want to hear your voice on what the new name for our Multi-Academy Trust should be? You can enter as many times as you like so don't be shy and get 'ya thinking caps on!'

We would like the new name for our Trust to reflect that all schools in it are equal partners, we would like it to reflect our vision, ethos and aspirations and we would like it to be relevant to where we are in the world. We are open to all reasonable suggestions; it could be a word that refers to our ethos or aims, it might be the name of someone inspirational from the area, it might be linked to some geographical feature in the area, or it could be something else that you think is right for the Trust.

Now that we are able to enjoy a meal with families and friends (observing government guidelines) we are offering a family meal for four as the prize at The Priorslee (Flaming Grill) – up to the value of £100.

The Directors of the Trust will select the top three entries and the children at Buildwas and Priorslee will vote to select the winning entry.

Grab yourself the chance for a family meal by sending your entry by the closing date of the 11th June (5pm), please submit your entry on the linked Google Form below.

We are really excited about our schools and our Trust moving forward and a change of name seems a good way to move forward together. We are really looking forward to seeing your fantastic suggestions.

Mr S Tilley
