

SEND Voices Project for Southall Secondary School

Wednesday 16th June 10.30-11.30am

We are hosting a family based peer virtual meet up, made possible with funding we have received from CCG/NHS

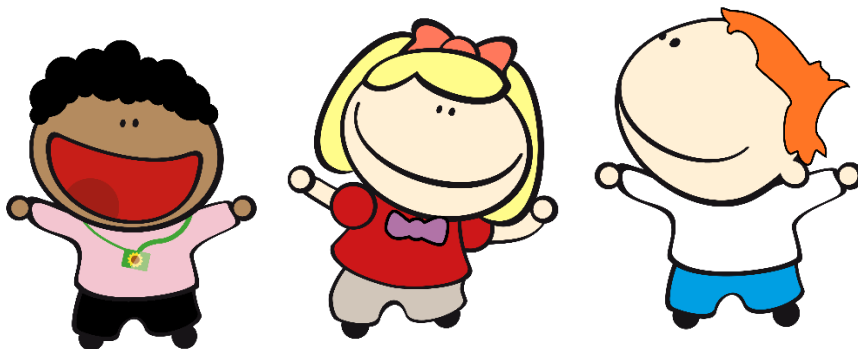

We'd like to invite you to share your experiences, ask any questions about anything to do with your child including social care and health needs, have a chat with other families in a safe environment.

We have full support from school for this project.

Places must be booked:
