

Autumn Term Transport Arrangements

Following the recent Government announcement that they are ending bubbles for early years settings, schools and colleges we can confirm (subject to any further announcements) that the following arrangements will be in place on all Home to School transport within the Borough for the Autumn term:

- The Arriva S buses will no longer be running.
- The fleet busses, coaches, taxis and minibuses will no longer have dedicated bubbles.

Letters confirming the transport arrangements will be sent out to parents over the next few weeks.
