## Post 16 Virtual Conference

online events

### Introduction to Attachment and Trauma

SUITABLE FOR ALL POST 16 PROVIDERS

#### DATE

Wednesday 8th September 2021

Time:

9am-12pm OR 1pm-4pm

Sep

A dynamic online event exploring young people's journey into care and the impact of this on their experience of post-16 education. Through theatre and keynote, this training will explore how further education professionals can support young people who may be struggling with independent living, dysfunctional family relationships and transitioning into adulthood.

#### Keynote speaker

**Dr Dawn Bradley**

Beginning a career in education in 1998, Dr Dawn Bradley has worked with specialist and mainstream educational communities for more than 20 years. Dawn is an advocate for change and supports professionals and practitioners to become agents of transformation in the lives of children and young people who have experienced adversity, trauma, and who may present with relational care needs. Dawn developed the Staffordshire Schools Trauma Informed and Attachment Aware Framework, is an advisory psychologist for ARC (Attachment Research Community), is an accredited trainer for the national Emotional Literacy Support Assistant programme, member of the national ELSA steering committee and EMDR trauma therapist.

#### In Partnership with Geese Theatre Company

Established in 1987, Geese Theatre Company is a multi-award-winning team of theatre practitioners working with prisoners and other marginalised or vulnerable adults and young people. The company is widely regarded as a leader in the field of arts in criminal justice and social welfare settings and Geese practitioners regularly deliver performances and workshops at national and international conferences.
