September 2021

Dear Head Teacher and PE Co-ordinator,

Re: Telford & Wrekin KS2 Sportsability Sportshall Athletics Competition

You are invited to enter a team in the Telford & Wrekin Primary Schools KS2 Sportsability Sportshall Athletics Competition.

This is an inclusive event where we are targeting children with additional needs that otherwise would prevent them taking part in the mainstream event. There fewer events to give more time for the children to cope with the environment.

Due to the popularity of previous year's Sportsability Sportshall Athletics Competitions, we are running two sessions this year. Schools need only attend one session. Please specify in your reply which session you would prefer (this may not be guaranteed so please be prepared to attend either morning or afternoon).

1st Session

Date: Wednesday 20th October 2021
Time: Registration 9:30am
Start 9:45am - Finishing time 12:00noon
Venue: Telford College

2nd Session

Date: Wednesday 20th October 2021
Time: Registration 12:30pm
Start 12:45pm - Finishing time 2:45pm
Venue: Telford College

Details of these events are as follows:

- **Each school's team will consist of a mix of boys and girls (maximum of 8 and a minimum of 6 any combination)**

Team Information – mixed boys and girls

Pupils may compete in a maximum of **three track and two field events**, drawn from the following:

On the track

1+1 Lap Relay	requiring 2 athletes from each team to run 1 lap each
2+2 Lap Relay	requiring 2 athletes from each team to run 2 laps
6 Lap Paarlau*	requiring 2 athletes from each team
4x1 Lap Relay	requiring 4 athletes from each team to run 1 lap each

And on the field

Speed Bounce	requiring 2 athletes from each team
Standing Long Jump	requiring 2 athletes from each team
Standing Chest Push	requiring 2 athletes from each team
Javelin Throw	requiring 2 athletes from each team

*Paarlau races are for teams of two athletes who run in turn. The two members must cover a total of 6 of laps between them. They do not necessarily have to run the same distance. Each athlete must cover at least one lap.

The morning session will begin promptly at 9:45am and will be finished by 12.00noon. Each attending school is being asked to provide a member of staff to help officiate the event.

The afternoon session will begin promptly at 12:45pm and will be finished by 2:45pm.

In the interests of safeguarding, only school staff and participating children will be allowed access to the site. WE CANNOT ADMIT SPECTATORS.

Attending schools are required to complete the attached data collection sheet and TEAMSHEET and hand it in on the day of the competition.

If you are not a member of the Telford & Wrekin School Sport Partnership, the entry fee per school is £120 and you will be invoiced at the end of the autumn term. Payments cover the hiring of facility, equipment, medals and any other costs occurred by hosting the competition.

Please thoroughly read the attached Risk Assessment.

Please note, arrangements for this competition may be subject to change (including postponed/cancelled) if there are any alterations or further restrictions imposed within future Government Covid guidance. All TWSSP staff are regularly briefed about the latest covid guidelines for PE & School sport.

If you wish to enter a school team, please do so by completing the entry form below and returning to Frankie Williams at Telford Langley School by Friday 8th October 2021 and use the team organisation sheet and bring that with you on the day.

Use of Bibs

In previous year's events, school teams have been allocated a set of coloured bibs to use during races (one bib per child). Coloured bibs will continue to be allocated for schools in the forthcoming events, however Sportshall Athletics have informed us that each school will only be allocated 6 bibs per school to be shared amongst the athletes from that particular school. Sportshall Athletics are required to quarantine bibs following their use for 24 hours prior to them being used again. Sportshall Athletics do not have enough bibs to allocate a single bib for every child on a daily basis and be able to quarantine all their bibs for the required 24-hour period. Therefore, they are suggesting that 6 bibs will be rotated between the pupils from that school during races.

If you wish to enter a school team, please do so by completing the entry form below and returning to Frankie Williams at Telford Langley School by Friday 8th October 2021 and complete the team organisation sheet and bring that with you on the day.

Yours sincerely

Frankie Williams
School Games Organiser - Telford Langley School
