Please note only one phase will be in place at a time. Two-Way Lights will also be in place on Elmpark Drive throughout the full duration of the works.

We will have our dedicated teams on site to assist you during this time to help you get past the working areas safely should you need to do. Whilst we will endeavour to minimise disruption, we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised, do not play near the working areas and all pets are kept away from the works.

#### Information about access to your property

Access will be maintained during the works for residents and for emergency vehicles although there will be short periods of time when the contractors will require residential and commercial traffic to be excluded during planing of the road surface and to allow the surfacing material to harden. We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works.

**If you have any special access requirements while the works are in progress or need to contact Balfour Beatty about these improvements please contact us at our new Telford Highways Hub: [TelfordHighwaysHub@Balfourbeatty.com](mailto:TelfordHighwaysHub@Balfourbeatty.com) and a member of our team will be in contact with you shortly.**

Thank you for your co-operation whilst we deliver these improvements in your area.
