

Session topics include:
Understanding SEN support
Local offer and school offer
Graduated response

All parents who would benefit from information and advice about Special Educational Needs and Disability are welcome

SEN 'In School' Support Workshop

**John Fletcher
Primary
on Wed 29 June
at 9am**

Telford and Wrekin SENDIASS support children or young people 0-25 who have a special educational need/disability, and their parents, and who live in Telford and Wrekin.

We advise parents across education, health and social care so they can feel more confident in taking an active role in their child's education.
