

Telford and Wrekin STEM Partnership Network

Thursday 22nd September 2022

Times: 4.00pm – 5.30pm

'Raising the aspirations of our young people'

The purpose of our STEM network

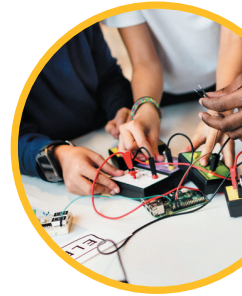

Our meetings run termly on behalf of Telford and Wrekin Council, supported by Black Country Science Learning Partnership. We provide a supportive network between schools (both primary and secondary), businesses and other providers in order to work together, to help shape STEM Education across Telford and Wrekin in order to raise the aspirations of our young people.

Workshop details:

Location: **In-Comm Telford, Unit 5A, T54 Business Park, Nedge Hill, Telford, TF3 3AJ**

Date: **Thursday 22nd September, 2022**

Time: **4pm - 5.30pm**
