

The CDOP newsletter is designed to raise awareness of the work of The Telford & Wrekin and Shropshire Child Death Overview Panel (CDOP) and to bring news on our on-going campaigns.

World Suicide Prevention Day is celebrated annually on the 10th September 2022. The theme for World Suicide Prevention Day this year is 'Creating Hope through Action'. The theme is a reminder that there is an alternative to suicide and aims to inspire confidence and light in us all.

Day

The "Project Hope Telford" event on Saturday 10 September 2022 (11am-3pm) has been organised by the local Suicide Prevention Action Group, Telford & Wrekin Council's public health and housing teams and partners and those with lived experience.

This is to raise awareness of local and national support services. Did you know someone sleeping rough is 9 times more likely to die by suicide than the general public? Figures from the ONS in 2018 show suicide is the second most common cause of death amongst those that are homeless. The visual representation of these truly startling facts will be sleeping bags spelling out the word 'HOPE' as well as a Tree of Hope for people to leave their messages of hope. The event will also feature street art, face painting, circus skills, physical and creative activities, and music. Please add your support to this important campaign by joining us on the day, and if you would like to become further involved, please contact Lyn.Stepanian@telford.gov.uk
