Our Adult Social Care Charter

- We will always promote independence
- We will listen with empathy and understanding
- You will know who to contact and we will always get back to you
- Our conversations will be honest and personal to you we won't just tick boxes
- We will respect your decisions and be honest and open

Our priorities for 2022

- 1 Provide early information and advice to enable people to help themselves.
- 2 Enable people to live independently in their own homes for longer.
- 3 Support people with care and support needs to live a life free from abuse.
- 4 Work in partnership with people, communities and partners.
- 5 Work with the care providers to develop a quality sustainable care market.

Telford and Wrekin

Our key facts and figures

Our Gross Budget for Adult Social Care 2022/23 was

£83.988 million

Telford and Wrekin highlights, in 2021/22 it is estimated*

THERE ARE 185,600

people living in Telford and Wrekin; 32,700 over 65 years.

16,500

people over age 25 years provide unpaid care to a partner, family member or other person; 3,700 people over 65 years.

2,600

adults between 18 and 64, and 600 people aged over 65 have learning disabilities.

2,000

people aged over 65 years have dementia, by 2035 this will increase to 3,220 (60% increase).

10,900

people aged 18 to 64 years have a moderate or serious physical disability.

1,400

people aged over 18 years have autistic spectrum disorders.

20,000

people aged 18 to 64 years have a common mental health disorder.

8,600

people aged over 65 years have a long term health condition or disability that limits their day to day activities

We strive to deliver a person centred, integrated and collaborative service that brings social care, health organisations and key partners together for Telford and Wrekin residents with care and support needs.

ASC Service Plan

* The overall population figures are taken from the 2021 census, all other data will be updated once the information is available.

Adult Social Care What we do

Adult Social Care 'Working Together' to enable people to Live Well and Independently in Telford and Wrekin. Working with people and partners, Adult Social Care supports:

- 1 People over the age of 18 to remain in their own home and as independent as possible.
- 2 Carers to continue in their caring roles with advice, information and support.
- 3 People with a range of needs including, physical disabilities, sight or hearing problems, learning disabilities or mental health illnesses.
- 4 Young people transitioning from Children's Services into adulthood.
