

## Attend a live event in Teams

As an [attendee](#) of a live event in Microsoft Teams, you can watch live events and participate in the moderated Q&A. You can't share audio or video.

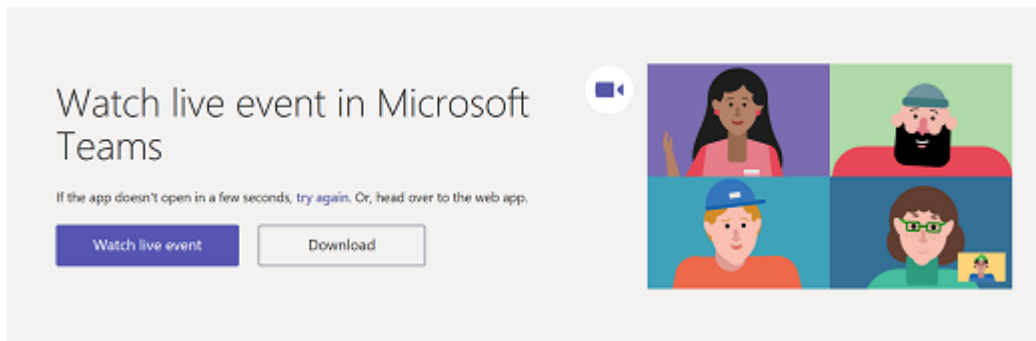

**Note:** Attendees need to enable third-party cookies in their browsers to watch a live event.

## Join the live event

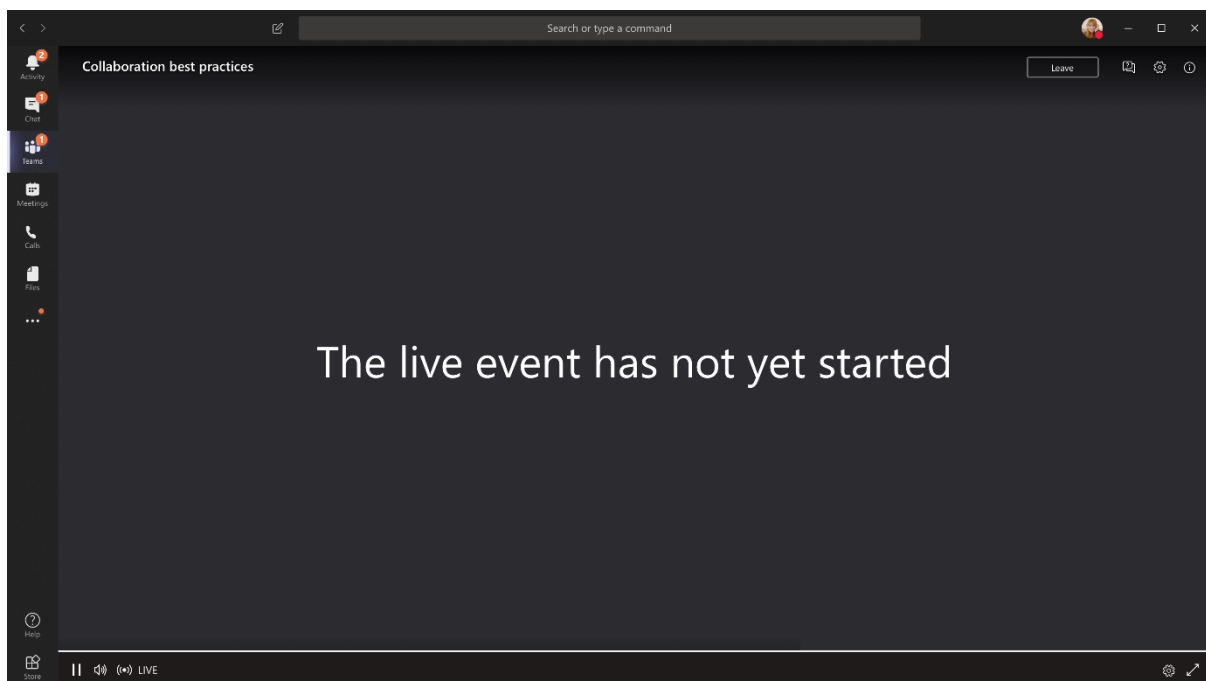

Open the live event link sent to you , to join the event.

- If your organisation uses Microsoft Teams, the event will open in Teams and you will be signed in as an authenticated user.
- If you're not signed into Teams, or your organisation does not use Teams - you'll join anonymously on the web.

- If the live event hasn't started, you'll see the message "The live event has not yet started."

**Note:** There can be a 20 second delay from when the live starts.

- When the event starts, you will be able to use the Q&A function which will appear on the right-hand side of the screen.
