

West Midlands TIAAS Digital Learning Event

Friday 20 January 2023

Trauma Informed and Attachment Aware - building towards an integrated system

A collaboration between The West Midlands Combined Authority, WMVS Children in Care Foundation, The Attachment Research Community, The West Midlands Violence Reduction Partnership and Barnardos.

Time: 9.00am-1.00pm
via Zoom

A FREE digital event, in which professionals from education, health and criminal justice settings can connect, learn and discuss everyday issues surrounding Trauma Informed & Attachment Aware Schools (TIAAS). The event will showcase examples of best practice and the positive outcomes, as well as the work of the Trauma Informed coalition; working in close partnership with the West Midlands Violence Reduction Partnership.
