certifies that during the financial year 2022/23, the higher of the authority's total gross income for the year or total gross annual expenditure, for the year did not exceed £25,000

Total annual gross income for the authority 2022/23:

Total annual gross expenditure for the authority 2022/23:

There are certain circumstances in which an authority will be unable to certify itself as exempt, so that a limited assurance review will still be required. An authority is unable to confirm the statements below then it cannot certify itself as exempt and it must submit the completed Annual Governance and Accountability Return Form 3 to the external auditor to undertake a limited assurance review for which a fee of £210 +VAT will be payable.

By signing this Certificate of Exemption you are confirming that:

- The authority was in existence on 1st April 2019

 - issued a public interest report in respect of the authority or any entity connected with it

 - commenced judicial review proceedings under section 31 (1) of the Act.

- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If the above statements apply and the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor either by email or by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on the authority website/webpage* before 1 July 2023.
