

Welcome to Adult Social Care - Our Service Strategy

Welcome to our Service Strategy, which shows how Adult Social Care (ASC) will contribute to the delivery of the Council's four year programme to 'Protect, Care and Invest to create a better borough'. It summarises some of our recent successes (our achievements), what we want to achieve in future (our strategic aims) and how we will show we are having an impact (our key performance indicators, KPIs). The detail of how each team will deliver the aims and KPIs that apply to them will be set out in individual plans.

About us

Working with people and partners, Adult Social Care supports:

- people over the age of 18 to remain in their own home and as independent and safe as possible;
- carers to continue in their caring roles with advice, information and support;
- people with a range of needs including physical disabilities, sight or hearing problems, learning disabilities or mental health illnesses;
- young people transitioning from Children's Services (CYP) into adulthood.

We strive to deliver a person-centred, integrated and collaborative service for Telford and Wrekin residents with care and support needs. Using a community asset and strengths-based approach, we work with people and those important to them to support people to live a fulfilling life, where they are able to realise their potential and contribute to their local community.

Welcome to Education and Skills - Our Service Strategy

Welcome to our Service Strategy, which shows how Education & Skills will contribute to the delivery of the Council's four year programme to 'Protect, Care and Invest to create a better borough'. It summarises some of our recent successes (our achievements), what we want to achieve in future (our strategic aims) and how we will show we are having an impact (our key performance indicators, KPIs). The detail of how each team will deliver the aims and KPIs that apply to them will be set out in individual Business Plans.

About us:

The Education and Skills team is the key service link to schools, settings, colleges and training providers. Our purpose is to promote high aspirations for Children and Young People, including those in the care of the local authority and those with Special Educational Needs and Disabilities, from early years through to adulthood. As a local authority, we have a responsibility for all our children in all schools and academies across the borough and we are committed to working in partnership with them to provide the highest standards of education for children and young people. We also work with stakeholders such as colleges, training providers and employers offering education and training opportunities so that young people can progress well and secure successful outcomes.

Meet the team:

Andy Cooke, Alternative Provision and Children in Care
The team are responsible for working with and supporting schools, young people and their families when children and young people are in need of additional support to enable them to engage successfully in their learning. In particular, the team supports in the following ways:

- To provide a range of alternative provision and interventions for those young people for whom full time mainstream provision is not appropriate and to support those young people to make transitions back into mainstream or into further education
- Responsibility for Ensuring that the Linden Centre and Student Engagement Programmes Programme, as part of the Alternative Provision offer, provide a high quality educational offer
- To commission Key Stage 4 Alternative Provision at Kickstart from the Learning Community Trust
- To build capacity and skills in schools to manage behaviour effectively, using strategies which recognise children's wider adverse experiences. Development trauma informed and implementation relational practice. Implementing the principles of the 'Belonging Strategy' in schools to support this work
- Facilitating the Fair Access Panel to ensure 'Hard to Place' young people are allocated to appropriate provision and placements of children
- Ensuring that children implement additional support to allow young people to be successful in care mainstream schools
- Ensuring that Children in Care are attending, achieving and making good progress through the work of the Virtual Head teacher and Virtual School Education Advisers and Education Officers Team

Liz Smith, Achievement and Enrichment

This service area is responsible for ensuring that every child in the borough can access good quality education and childcare. Teams in this area are responsible for delivering the following services:

- Oversight of the performance of pupils in all of our schools and of the outcomes for maintained schools at OFSTED inspection
- Statutory monitoring and support of maintained schools in line with the Local Authority's 'Securing School Improvement Policy'
- School governance services including legal advice & support and governor training
- Strategic delivery of early years and childcare provision and advice and support to early years providers both in schools and across the private

Increasing the stability of educational placements for Children in Care is key to achieving this

- Supporting Virtual School Head Teacher's extended duties. for Children with a Social Worker and previously looked after children. Ensuring that these young people are attending, achieving and making good progress – educational stability and an full time education offer is key to achieving this
- Coordinating the Councils strategy as Corporate Parents
- Ensure access to outdoor learning opportunities for children through the Arthog Outdoor Education Programmes for schools in Wales and children through Arthog Telford
- Provide support for children and young people during the main school holidays through the Happy, Healthy, Active Holiday programme.

David Sidaway
Chief Executive

Michelle Brockway
Director: Finance and Human Resources

About us:

Finance and Human Resources is dedicated to working with and supporting Council colleagues, schools and partners to improve outcomes for the community. It collects income and pays invoices, which are critical to the Council's reputation with residents and businesses. Ensuring that the organisation receives accurate, timely, creative and constructive support and advice is even more critical as resources continue to reduce and services are exploring new and innovative ways to deliver savings. The teams work in accordance with legislation, relevant regulations, professional standards and our Cooperative values. The Finance and Human Resources director is the Council's Section 151 Officer.

Welcome to Housing, Employment and Infrastructure - Our Service Strategy

Welcome to our Service Strategy, which shows how Housing, Employment & Infrastructure will contribute to the delivery of the Council's programme to 'Protect, Care and Invest to create a better borough'. It summarises some of our recent successes, what we want to achieve in future – our strategic aims – and how we will show we are having an impact – our key performance indicators. The detail of how each team will deliver the aims and KPIs that apply to them will be set out in individual Business Plans.

About us:

Housing, Employment and Infrastructure brings together strategic and frontline services that have a major influence on the physical and economic growth and success of the Borough and ensuring that all residents are able to benefit whether through employment or housing choice. Our Services include frontline delivery of housing support and advice to prevent and relieve homelessness, managing the Council's privately rented and specialist housing stock, commissioning housing solutions including through housing associations and developers to deliver housing that reflects the needs of all our communities. Through the work of our Private Sector Housing Team working to drive up the quality and condition of housing across all tenures and tackle empty properties.

Alongside this we work directly with existing businesses from start up to multi nationals to support their resilience and growth and to promote the Borough to new investors delivering new jobs and commercial opportunities for the Borough and the Council. The Service is leading on the regeneration of our Borough Town High Streets through Pride in Our High Street and working with our colleges, Universities and skills providers to deliver the skills and training needed by our employers and to increase employment opportunities.

The Service is also responsible for establishing long term land use strategy – the Telford & Wrekin Local Development Plan. This sets out the scale and location of new housing and employment development, greenspaces and infrastructure and policies that support corporate priorities including health and wellbeing, climate change, housing need and regeneration influencing the growth of the Borough over the next 20+ years.
