

Terms and conditions

1. Groups must be properly constituted not-for-profits to apply. This is a group with a constitution that states they are a not-for-profit. Groups must provide a copy of a recent bank statement to prove this. A copy of your constitution may be requested.
2. Groups must have been established for a minimum of 12 months.
3. Decisions on the success of applications and the amount of funding granted is final – correspondence will not be entered into.
4. The application form must be fully completed and all applications must be supported by detailed quotes for any planned work, material purchases and/or detailed breakdowns of other planned expenditure.
5. Applications requiring funding from other sources in order to carry out the project will need to provide written proof that they have either been awarded or will be awarded that funding prior to EnviroGrant funding being given. Or give full details on their application.
6. Groups are required to use the funding within a year of receiving it, and keep Veolia informed of significant milestones in the project. If the situation occurs where the project may over-run beyond a year please contact us to discuss.
7. Groups are required to complete a funding evidence form and provide receipts to show proof of spending within a year of receiving the grant.
8. A member of staff from Veolia must be allowed to visit or to see the activities of the project (to be coordinated at a suitable time and date).
9. Grants should not be used for any purpose other than the project as outlined in your application. Veolia reserves the right to seek repayment of the grant if any part of it is not used for the given purpose.
10. Projects will be evaluated against their benefits to the local environment and community.
11. Projects must be located in Telford and Wrekin.
12. Successful applicants cannot apply in consecutive years.
13. Veolia and Telford & Wrekin Council will be able to promote and publicise the group's project activities. You will be required to complete a publicity information form for this purpose.
14. Acknowledgment of Veolia working with Telford & Wrekin Council, and the grant must be made on all promotional material associated with the project. We will provide publicity information for this purpose. Sign-off for use of logos must be sought before distribution.
15. Grants can only be paid into the bank account of the organisation, not that of a private individual.

Supporting your community with funding of up to £1,000

Veolia's EnviroGrant scheme in Telford and Wrekin

EnviroGrant scheme

Does your community group make a positive difference to the local community or environment? If the answer is yes, the Veolia Telford and Wrekin EnviroGrant scheme may be able to help you.

Grants are available to community groups in the borough of Telford and Wrekin for projects that benefit the local community or the environment.

What is the EnviroGrant scheme?

The EnviroGrant scheme is run by resource management company Veolia in partnership with Telford & Wrekin Council. The grant is part of the added value Veolia brings to the borough through the recycling and waste contract.

Who can apply?

To apply, groups must be properly constituted not-for-profit organisations in the borough of Telford and Wrekin. Terms and conditions detailed in this leaflet apply.

What is the grant for and how much can be applied for?

EnviroGrant awards grants of up to £1,000 for projects that benefit the local community or the environment. This could be projects that improve or protect the local environment through practical action or education, or projects that improve the quality of life for the local community by providing or improving facilities and resources.

How to apply?

The online application form, along with key dates relating to funding rounds, can be found at www.veolia.co.uk/telford-and-wrekin or if you'd prefer a paper copy please phone **07824 545 597** to request one.

Previous projects supported by the EnviroGrant scheme

"The EnviroGrant funding has allowed us to lay down the foundations of a safer, more wildlife-friendly habitat for creatures displaced from a nearby development. It is being used to educate and inform the local community."

Friends of Apley Woods

"Thank you for enabling us to make improvements for the residents and visitors."

Arleston Community Centre

"The provision of a projector and screen will provide hours of fun and interest to our members."

Telford Gateway Club

"The funding has made the orchard more sustainable for the community and has helped our volunteers to keep the orchard maintained and accessible for all."

Donnington Community Orchard

"We are very grateful to Veolia for this generous grant which enables us to reach more people suffering isolation."

Ironbridge Coracle Trust
