Dear Vincent

**APPLICATION FOR DESIGNATION OF NEIGHBOURHOOD AREA:**

**Edgmond Parish, Telford, Shropshire**

Edgmond Parish Council has unanimously resolved that the Parish Council, as a 'relevant body', wishes to prepare a Neighbourhood Development Plan.

I can confirm that Edgmond Parish Council is a relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act.

The defined area for the Edgmond Neighbourhood Plan will be the Parish of Edgmond, as indicated on the attached map.

The Parish Council, on behalf of its community, consider the area to be appropriate for the following reasons:-

- a) The area defined is covered by Edgmond Parish Council in its entirety
- b) The area was resolved by a decision of the Parish Councillors after consultation with the community
- c) The Parish Council leads a steering group of representatives from the Council and Community to oversee the process of producing a Neighbourhood Plan and its future development
- d) It is accepted that Edgmond Parish, identified as a Key Settlement for growth and development, recognises the important and vital role of the local communities within the Parish, including Marsh Road, and wish them to have a say in local decision making reflecting future development and retention of our identity.

Yours sincerely

  
Katrina Baker
