

Telford & Wrekin Local Plan - Correspondence with Inspector

Date: Received 7 th July 2016	EiP library reference number: F1b
Subject: Late Reps	
Details: <p>The Inspector notes the Council's view that the late representations should be considered as being 'duly made' and is content to proceed on that basis. As such, and in order to assist the examination, he asks the Council to work with the PO to ensure that the comments submitted by late representors (as well as the contact details of the representors concerned) are included on the relevant spreadsheets and databases so that they are treated in the same way as the other representors. The representors involved should also be informed that their representations are being treated as being 'duly made', if this has not already happened. If you have any queries, please contact me via the PO.</p>
