**Representations on behalf of Mrs M Powell  
(Comment ID PUB286)**

---

**Comments in relation to Inspector's  
Matters, Issues and Questions Paper**

---

1. Representations were made on behalf of Mrs Powell in respect of Policy NE6 – Green Network, at Consultation and Publication Draft stages of the Local Plan.
2. The Council has amended the Green Network in respect of the land owned by Mrs Powell, and the Submission Version of the Plan now shows a reduced area that will be subject to that designation.
3. On the basis that the designation, as far as it affects Mrs Powell's land, remains as is shown on the Submission Version of the Telford Insert Proposals Map, there is no need to make further representations on her behalf and no need to attend the Examination.
4. Mrs Powell wishes to thank the Council for their consideration of the matter.
