**Matter 8 – Examination Session 24 November 2016**

---

- 1.0 This representation is a combined submission on behalf of Mr S P Holding and Mr A Hodson, as many of the issues that they wish to comment on are common to both.
- 2.0 It would be helpful if the allocations, or rather designations, set in respect of these sites could be discussed at the Site allocations Session on 24 November 2016.
