

Telford & Wrekin Council
Off Street Parking Places Order 2016 – Hadley

Statement of the Borough of Telford and Wrekin Council's reasons for proposing to make the above order: -

Telford and Wrekin are currently undertaking a review of all the Off Street Parking Places within the Borough and the associated Traffic Regulation Orders. This is to ensure they are correct and are suitable for current traffic conditions. Therefore, an order has been produced to replace the current orders which apply to the off street parking areas in Hadley for the following reasons:

1. It appears necessary to the Council to continue to provide off street parking places in Hadley to relieve or prevent congestion of traffic
2. To preserve or improve the amenities of the area and to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) in Hadley.
3. To avoid danger to persons or other traffic using the Parking Place or for preventing the likelihood of any such danger arising.
4. To facilitate the passage within the Parking Place of any class of traffic (including pedestrians).
5. The continued imposition of charges during the hours specified in the Order are considered appropriate in all the circumstances pertaining to these Parking Places at Hadley
