19th October 2016

Dear Mr French

I can confirm that I am the owner of Barnsely Lane Farm. I have now released Grundons of any rights to mine sand and gravel.

I now state that I have no intention whatsoever of letting my farm be disturbed by such a mining operation.

I would therefore ask you to remove any reference to Barnsley Lane from the list of Shropshire Mineral Sites.

Thank you for your anticipated assistance.

Yours sincerely

Chris Walker
Partner
