Dear Katherine,

**Re: Donnington and Muxton Neighbourhood Development Plan (NPD)
Application for Designation of Boundary under Neighbourhood Planning (General) Regulations 2012 Part 2 (5).**

Donnington and Muxton Parish Council wishes, as a "relevant body", to prepare a Neighbourhood Development Plan.

I can confirm that Donnington and Muxton Parish Council is a relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act and that the Parish Council unanimously resolved that a Neighbourhood Development Plan should be prepared for the Parish area.

At its meeting on 8th February 2017 (Minute Item 17/02/185) the Parish Council unanimously resolved that the defined area for the Neighbourhood Plan will be the Parish of Donnington and Muxton as indicated on the attached plan.

The Parish Council, on behalf of its community, considers the area to be appropriate for the following reasons:

- a. The area is covered by Donnington and Muxton Parish Council in its entirety.
- b. The area was agreed by a unanimous resolution by the Parish Council.
- c. Donnington and Muxton Parish Council has formed an initial Steering Group that will guide the preparation of the Neighbourhood Plan and will allow engagement with community groups and other local interests together with the cooperation of Telford & Wrekin Council.
- d. It is accepted that the process will allow local people and our neighbouring communities to have a say in local decision making in respect of future development and a plan for the future of Donnington and Muxton.

The Parish Council trusts that Telford & Wrekin Council will approve the designated area and confirm its designated status.

Councillor Mrs Lisa Dugmore
