Glossary of Terminology:

Permitted Development:

Providing written confirmation whether planning permission is or is not required for any development. Full measurements and details of the proposal are required to assess whether the development falls within permitted development regulations.

Pre-Application Assessment (Written Advice):

Providing written confirmation whether planning permission is or is not required for any development, also consulting internal technical specialists, Parish/Town Councils and Councillors, and providing a detailed written response to the proposed development with the requirements for a planning application (if planning permission is required)

Pre-Application Workshop:

Available to a wide range of development proposals, the Council will host an informal meeting with the applicant and internal technical specialists, in addition to inviting the relevant Parish/Town Councils and Ward Councillors to provide written comments on the proposals. At the end of the process, the Council will provide a detailed written response to the proposed development and the requirements for any application.

Block Plan:

A plan or sketch showing where the development will be located in relation to existing buildings / features.

Location Plan / Red Edged Plan:

A plan or map image - clearly showing where the property is, from a bird's eye / Ariel view and with the whole of the properties boundary lines clearly marked in red.

The image can be taken from an online maps service such as google maps or a screenshot can be obtained to draw on from the Telford and Wrekin planning and building control interactive maps website by using the following link:
