Our Ref: Summer Resurfacing & Reconstruction Programme

Date: 20/07/2017

Improvements in Your Area

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Over the next three years an additional £45 million will be invested into improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs, a programme of road lining improvement as well as additional investment in repairing local roads and paths and environmental maintenance.

We will be carrying out a reconstruction scheme to improve the condition of the carriageway on the junction of Kemberton Road (Westbound) with the Cuckoo Oak Roundabout. The work is due to take place in the next few weeks **but is not expected to take more than one week, weather permitting, to complete in your road.** The westbound carriageway will be closed with a full diversion in place around the site.

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let the site operatives know.

Further detailed Information about roadworks in Telford can be found at www.telford.gov.uk/roadworks. If you need to contact Telford & Wrekin Council about these improvements email highways@telford.gov.uk. Your contact will be logged and a member of the team will respond as soon as possible.

For more about the Pride in Our Community programme visit www.telford.gov.uk/pride. In addition, follow us on Facebook and talk to us on Twitter @telfordwrekin.

Yours faithfully

20th July 2017

Dear Residents,

Telford & Wrekin Services Ltd will shortly be working on Kemberton Road (Westbound) on behalf of Telford & Wrekin Council.

The work involves reconstructing the carriageway, and we anticipate the scheme will commence on 07th August 2017 for one week, although these dates are weather permitting. The working hours will be between 07:30 – 17:30hrs.

To complete these essential works it will be necessary to close the Westbound carriageway for the duration of the works, with a full diversion in place around the site.

We would like to apologise for any inconvenience and with your cooperation we will complete the work as quickly as possible. For access enquiries only, please contact the site manager, Alexandra Edwards, on 01952 567022.

If you wish to contact Telford & Wrekin Council about these improvements you should call 01952 384000 or email highways@telford.gov.uk.

Thank you for your co-operation in this matter.

Yours faithfully,

Telford & Wrekin Services Ltd
