Our Ref: Summer Resurfacing & Reconstruction Programme

Date: 20/07/2017

### Improvements in Your Area

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Over the next three years an additional £45 million will be invested into improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs, a programme of road lining improvement as well as additional investment in repairing local roads and paths and environmental maintenance.

We will be carrying out a reconstruction scheme to improve the condition of the carriageway on Castlefields Way, Aqueduct. The work is due to take place in the next few weeks **but is not expected to take more than three weeks, weather permitting, to complete in your road**. The road will be closed in 3 different sections so that access to properties can be maintained throughout.

Section 1: Castlefields Roundabout to Shutfield Road

Section 2: Shutfield Road to Majestic Way

Section 3: Majestic Way to Southall Road

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let the site operatives know.

20<sup>th</sup> July 2017

Dear Residents,

Telford & Wrekin Services Ltd will shortly be working on Castlefields Way on behalf of Telford & Wrekin Council.

The works will involve carriageway reconstruction and resurfacing. We anticipate the works will commence on 07<sup>th</sup> August 2017 for 3 weeks although these dates are weather permitting.

We will be working between 07:00 – 21:00hrs. To complete these essential works it will be necessary to close Castlefields Way in 3 sections. Access to properties will be maintained at all times throughout the works but may be restricted for short periods. We will have people on hand to help you get past the working areas safely should you need to do so.

Whilst we will endeavour to minimise disruption we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised, do not play near the working areas and all pets are kept away from the works.

We would like to apologise for any inconvenience and with your cooperation we will complete the work as quickly as possible. For access enquiries only, please contact the site manager, Alexandra Edwards, on 01952 567022.

If you wish to contact Telford & Wrekin Council about these improvements you should call 01952 384000 or email [highways@telford.gov.uk](mailto:highways@telford.gov.uk).

Thank you for your co-operation in this matter.

Yours faithfully,

Telford & Wrekin Services Ltd
