Dear Graham,

In reply to your letter of 5th April, 2017 I am writing to confirm that Telford & Wrekin Council has increased its council tax to fund adult social care services in 2017-18.

Telford & Wrekin's council tax (Adult Social Care element) has increased by 2% in 2017-18. I am also writing to certify that Telford & Wrekin will use the additional 2017-18 funding for adult social care (as announced in the Spring Budget 2017) to fund adult social care services.

I have completed the table in the spreadsheet attached, comparing the changes in adult social care budgets (including overhead and running costs) with those of other non-ring fenced/non-statutory services, including and excluding precept and the additional Budget funding for adult social care.

Yours sincerely

Ken Clarke
