**Subject:** S&N canal future

**Categories:** [REDACTED]

I wish to urge the Telford and Wrekin Planning dept to ensure that any future developments to not encroach on the Shrewsbury Newport Canal route. The canal needs protection so that at some time in the, hopefully not too distant future, the canal can be restored. A functioning canal would be a huge asset to the area, both for tourism, leisure and businesses .

I believe the inspectors have made certain recommendations towards the Local Plan ,and I ask you to take these into consideration.
