Subject: Comment on the Schedule of Proposed Main Modifications - Protection of Shrewsbury and Newport Canal Line

Categories: [REDACTED]

I am writing in support of the proposed modifications to the Local Plan which will protect the line of the Shrewsbury and Newport Canals. This will underpin (and is critical to) the work of local volunteer groups in their efforts to restore these valuable waterways.

I live at Norbury Junction, at the very start of the Newport Canal and look forward to the day when my family will be able to walk or cycle to Newport (our nearest town) along the canal towpath.

Many thanks,

Christine McDougall
