Categories: [REDACTED]

Dear Sirs,

I am writing in support of the Inspectors proposed revision to the Local Plan regarding the need for the line of the Shrewsbury & Newport Canals to be protected to prevent potential encroachment from future development. I also feel the restoration of the canals will create an enormous tourism asset to the town and provide a "green lung" in the midst of all the housing developments planned for the town now and in the future

Yours sincerely

Derek Hillaby
