Dear Sirs

I am a long term member of the Shrewsbury & Newport Canals Trust. I would like to register my support for the inspectors modifications and proposals to protect the line of the canal from future development .Any attempt to develop land on the historic canal route would seriously hinder the aims of the trust to return the canal to its former glory and provide leisure and business opportunities for the local population. Please take these proposals on board in your 2011-2031 Plan

Yours sincerely

Graham Beeston
