

18/9/17

Dear Mr Telford

re Telford and Wrekin Local Plan  
consultation to modifications.  
Your ref. TWLP/MU Consult.

Thank you for your letter of the 31<sup>st</sup> July  
asking for any comments I may have  
on the modifications. My only comment  
is that I notice that the village  
of Wakerley <sup>remains</sup> identified as one of  
the areas for possible future development.

I would say that the village's  
Neighbourhood Plan may be taken

into account should further develop &  
be proposed for the village especially  
now that planning permission has  
been granted by T & W for the residential  
development of the ad. milk factory  
as condition.

Your Committee approved the  
Village Neighbourhood Plan and therefore  
should abide by it.

Yours faithfully

M.T. Gwynne
