**(RESTRICTED ROADS, 20MPH SPEED LIMIT) ORDER 2018**

---

**Proposals**

**It is proposed to introduce a 20mph speed limit in Lawley on the residential roads Arleston Lane, Glendale, Bartholomew Road, Millman Grove, Tom Morgan Close, Yew Tree Close, Clips Moor, Church Croft, Well Croft, Glendale Gardens, Glendale Mews.**

The issue of safety and speed outside Lawley Primary school has been discussed with the Parish Council, Ward Members and Lawley Primary School. A speed survey undertaken during term time in September 2015, indicated that vehicle speeds were appropriate for the setting of a lower speed limit without supporting traffic calming features (mean speed 21mph).

**Road Traffic Regulation Act 1984**

The specific grounds which the Council are using for implementation of the proposed speed limit above are the following sections of the Road Traffic Regulation Act 1984.

- Section 1 (a) for avoiding danger to persons or other traffic using the roads or any other roads or for preventing the likelihood of any such dangers arising
- Section 1 (f) To improve the amenities of the area through which the roads run.
