Our Ref: Spring Carriageway Package 2018 (WP5)

Date: 12/02/2018

Improvements in Your Area

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Over the next three years an additional £45 million will be invested into improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs, a programme of road lining improvement as well as additional investment in repairing local roads and paths and environmental maintenance.

We will shortly be carrying out a resurfacing scheme to improve the condition of the carriageway on St Luke's Road, Doseley. The work is due to take place in the next few weeks **but is not expected to take more than two weeks, weather permitting, to complete in your road.**

Access will be maintained during the works for residents and for emergency vehicles although there will be short periods of time when the contractors will require residential and commercial traffic to be excluded to allow the surfacing material to harden.

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let us know prior to work starting or alternatively let the site operatives know on site.

Further detailed Information about roadworks in Telford can be found at www.telford.gov.uk/roadworks. If you need to contact Telford & Wrekin Council about these improvements email highways@telford.gov.uk. Your contact will be logged and a member of the team will respond as soon as possible.

For more about the Pride in Our Community programme visit www.telford.gov.uk/pride. In addition, follow us on Facebook and talk to us on Twitter @telfordwrekin.

Yours faithfully

Cllr Shaun Davies
Leader & Cabinet Member for Neighbourhood Services & Pride Programme

12th February 2018

Dear Residents,

Telford & Wrekin Services Ltd will shortly be working on St Luke's Road on behalf of Telford & Wrekin Council.

The work will involve resurfacing the carriageway and we anticipate the scheme will commence on 26th February 2017 for just over 2 weeks, although these dates are weather permitting.

To complete these essential works it will be necessary to close St Luke's Road for the duration of the scheme with a full diversion in place around the site.

Whilst we will endeavour to minimise disruption we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised, do not play near the working areas and all pets are kept away from the works.

We would like to apologise for any inconvenience and with your cooperation we will complete the work as quickly as possible. For access enquiries only, please contact the site manager, Alexandra Edwards, on 01952 567022. If you wish to contact Telford & Wrekin Council about these improvements you should call 01952 384000 or email highways@telford.gov.uk.

Thank you for your co-operation in this matter.

Yours faithfully,

Telford & Wrekin Services Ltd
